The International Network of Esoteric Healing (INEH) is part of a global group of world servers concerned with health in body, mind and spirit via the body's energy field. The teachers and students of these courses have diversified backgrounds and this work is applicable to all areas of life. The intended audience is all people who are interested in becoming empowered using the holistic model.

The Goals of this course are to:

1. Understand the chakra system based on the Bailey material and how it influences you mentally, emotionally and physically;
2. Learn how to feel the energy field, detect imbalances within the field and correct them according to the person's highest good;
3. Develop a treatment protocol for yourself and others, including absentee healings;
4. Learn various forms of simple meditation;
5. Use these techniques in everyday life no matter what your occupation;
6. Help in planetary healing through individual and group work.

The course will be presented by Bernadette Bloom, P.T. and Greg Kemppainen, CYI. Bernadette has been a licensed physical therapist since 1977 and has practices in both Florida and New York. Bern has been an Esoteric Healing practitioner since 1992. Greg has been studying and practicing Esoteric Healing since 1998 and practices in Lansing, Michigan.
