Dear Friend in Esoteric Healing:

The International Network for Esoteric Healing (INEH) is presenting Part 2, The Art of Creative Living. This class will be held at **2665 Creek Lane Naples Florida in Huntinglakes**. Please do not be concerned if you cannot remember the triangles, or have not practiced since the Part 1 course. This course is well-designed to take this fact into consideration. There is a good review of the Part 1 material, as well as further development of the work. The Part 2 course delves much more deeply into the centers and related areas above the diaphragm. It includes discussions on kundalini energy, psychological aspects of the chakras, and introductions to the seven rays, the immune system and the nervous system.

This course is required for Part 3 and Part 4 courses.

The course will be presented by Bernadette Bloom, P.T. Bernadette has been a licensed physical therapist since 1977, and has been studying with osteopaths since 1988. She has practices Nationally, through which she blends both Eastern and Western traditions. Bernadette has been an Esoteric Healing practitioner since 1992, and is a member of the International Network of Esoteric Healing (INEH). In 1999, she began teaching Esoteric Healing for the INEH. Bern is the **only** Esoteric Healing Teacher in New York and South West Florida and **one** of 17 currently in the United States. She teaches internationally and nationally. She was involved in a National Institute of Health (NIH) sponsored study on the effects of Distant Healing on a Rare Form of Brain Cancer. Bern completed Dr. Caroline Myss and Dr. Norm Shealy's Intuition Training program in 1996 and has a rich background in Craniosacral, Tai Chi, Reiki, meditation, and shamanic teachings.
