

Bernadette Bloom and Djwhal Khul Present:

**Living with Heart and Soul Part 2 Class**

**Sunday, August 15, 2021 / 9:45am to 6:30pm**  
**In-Person in Chappaqua, NY or Virtually via Zoom**

This class is open to all that have completed the first advanced class. Please review the Rays, understand and know how to use the nervous system and Limbic system before class starts (see parts three and advanced). We will explore and expand on the initiations and delve into practical applications, case studies and esoteric significance of events and situations. Topics will include but are not limited to: The Family Soul, more on the subtle bodies, the journey into the spiritual triad...why and how? Expand on the Limbic system, brain ventricles, and practical application. We will have fun with initiations...and take dancing with the Rays to the next level! Remember, energy follows thought.

This class will be informative, educational, experiential and fun. We will deepen our Spiritual understanding of life (earth school vs spiritual school). Bring an open mind and an open AND a loving heart. In addition, do the best you can to know what spiritual initiation you have journeyed through since the last class and how it has affected your life, or since you started this journey. In preparation for this course, meditate daily at least two weeks prior to the class. There will be homework that must be done during the class.

Questions problems concerns oh no's payment plans etc. please text. Please keep doing the meditation daily and aligning with the class members.

Prerequisite: Energy Medicine for the 21st Century, The Brain & Beyond, The Magic of the 7th Ray, Follow Your Heart to the End of the Rainbow Classes and Living with Heart and Soul Part 1. This prerequisite is required as preparation as this coursework is at a more advanced level.
