

Bernadette Bloom and Djwhal Khul Present:

Energy Medicine for the 21st Century - Part 2 Class

Sunday, April 2, 2023 / 9:45am to 6:30pm

Bernadette Bloom and Djwhal Khul Present A New Energy Healing Class! Discovering “The Divine Plan” - Energy Medicine for the 21st Century - Soul Focused Living & Healing Part 2 Class.

Come on an exciting adventure into the world of Energetic Vibrational Living and Healing! Learn to bring balance and ease to the body, mind, and spirit via the electromagnetic field also called the aura. This class will be geared to the needs of those that come (lay person, professional or medical). The intended audience is all people who are interested in becoming empowered using the holistic model in their life and health. That would be YOU!!!! Raise your vibration in one day to a different level of consciousness (learn how to see things differently).

- *You will learn the psychological aspects of the chakras
- *The metaphysics behind the different organs and glands associated with each chakra.
- *The 5 levels of soul awareness
- *An introduction to the 7 rays
- *Constructive and Destructive levels of power
- *More energy triangles
- *Creative use of the work and anything else this class is wanting to learn

PREREQUISITE:

Students who completed Energy Medicine for the 21st Century Part 1.
